

## Directions to Casita Verde

If you're coming for the first time, an easy way to reach us is from the town of **San Antonio**.

Take the main road towards **Ibiza town** and go through the tunnel (San Rafael). **This is approximately 5km from Ibiza town**. When you come out of the tunnel go straight on at the first roundabout and then continue for 500m down the hill and turn right 150 metres **before** the next roundabout. This is where the "**Parc de Bombers**" (fire station) is and the posh restaurante "**Dos Lunas**".

Drive up this road with the fire station on your left, and Dos Lunas on your right, and after 100 metres follow the road round to the left.

You will then be on a small country road on which you continue on for about 6 kilometres. Be careful of the curves and stay on the tarmac road! After approximately 6 kilometres you will come to the very top of the road and then you continue down hill for about 400 metres around some tight curves before seeing a sign on the right saying '**Casita Verde: 100m**'. After 100 metres, turn right onto our dirt track, where there is a **post marking a cycle route**. Drive down here a short distance and you'll see the Casita Verde parking sign.

**Please note that Casita Verde is only open for visitors on Sundays from 2pm to approximately 7pm.**

**Other visits should be organised by appointment. Call +34 971 187353 to arrange a visit, or email [chris@greenheart.info](mailto:chris@greenheart.info)**
